

Critical Orientations: Indigenous Studies and Outdoor Education Workshop

**Friday, September 13th,
8:30A.M. – 3:30 P.M.**

High Desert ESD

2804 SW 6th St, Redmond, OR 97756

Light Breakfast, Coffee and Tea, and Lunch will be provided.

Hosted by OSU Extension Service
Outdoor School Program and the
Children's Forest

For 5th and 6th grade educators, both formal and informal.

Substitute reimbursement is available for classroom teachers.

This workshop explores culturally responsive/responsible incorporation of indigenous studies concepts into outdoor education curriculum and programming that may be used in 5th or 6th grade outdoor schools.

Participants in the workshop will be asked to be a part of a larger study and community of practice that explores the impact of learning how to incorporate indigenous studies concepts into outdoor education curriculum using a "Critical Orientations to Outdoor Education" Curriculum tool, but participation in the study is optional, and attendees can still attend the workshop even if they choose not to participate in the study. More information about the research study, the agenda, and some pre-reading will follow registration.

Facilitated by:

Dr. Leilani Sabzalian

Asst. Professor of Indigenous Education,
University of Oregon

Dr. Spirit Brooks

Research Coordinator,
OSU Extension Service - Outdoor School Program
